

## RAISING GREEN ON THE GREENS...

Each year proceeds from the tournament are used for school improvements or special projects determined by Bayside's current needs. The tournament's success is due to support by friends like you.

This year's effort will raise funds for:

- A planetarium. This spectacular technology will allow students to journey to the stars, orbit the planets and explore the Universe here at Bayside Academy.
- Defibrillator for Learning Center Grades 3-6

## HERE IS HOW YOU HELP!

Also new this year student teams, clubs, organizations and academic groups can raise funds for their projects by playing, recruiting teams, recruiting hole sponsors, recruiting corporate sponsors.

The more participation by everyone the greater the amount of funds to be distributed. Requests will be reviewed by the Headmaster and amounts will be determined and distributed by the Headmaster.

### BAYSIDE ACADEMY MISSION STATEMENT
